

California Public Utilities Commission

Thought Leaders Series

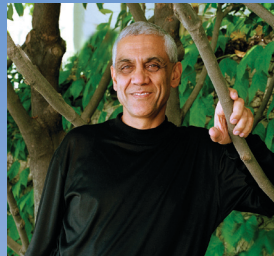

California Public Utilities Commission

Presents

Mr. Vinod Khosla

Internationally known

Prominent in clean technology and renewable energy

**Thursday, November 6, 2008,
12:45 p.m. to 3 p.m.**

**CPUC Headquarters
505 Van Ness Ave., Auditorium
San Francisco**

First in the Policy and Planning Division's Thought Leaders Series, presented on challenges facing the CPUC as it regulates industries in communications, energy, transportation, and water in the 21st Century.

Mr. Khosla is the founder of Khosla Ventures, a firm offering venture assistance, strategic advice and venture capital. He was co-founder of Daisy Systems and founding Chief Executive Officer of Sun Microsystems, and is currently a general partner of the world-class venture capital firm Kleiner Perkins Caufield & Byers.

Recognized by Forbes as "... the #1 venture capitalist"

According to Fortune: "... there are venture capitalists, and there's Vinod Khosla."

Don't miss this first in a series!

Open to Public. Registration not required.
